Carrying Harness

Let's face it, some items are simply too wide to throw an arm around and carry down the beach. That's where our easy-to-use YakSling and SUPsling come in handy. Made from durable nylon webbing with a comfortable shoulder strap, the Danuu slings will make carrying your board or boat easier than ever!

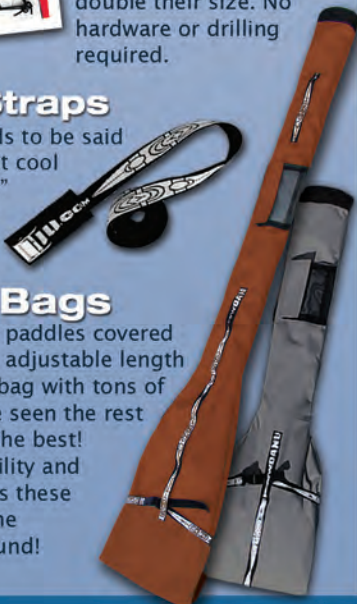

Cargo Nets

15" x 15" Suction Cup Cargo net, perfect for holding gear to your SUP. Super strong and stretch to nearly double their size. No hardware or drilling required.

Cargo Straps

What more needs to be said than "Wow! What cool CARGO STRAPS!" Comes in 10' & 15' lengths.

Paddle Bags

Danuu has your paddles covered too! Affordable, adjustable length padded paddle bag with tons of features! You've seen the rest now check out the best! Danuu affordability and versatility makes these PADDLE BAGS the hottest bag around!

Leashes

Coiled SUP, Fishing Rod/Net and Paddle Leashes

Essential equipment if you are paddling or fishing. Flexible coils stay out of the way and stretch when you need it. Velcro closures make these leashes easy to use and hassle free. Classic design with improved strength! Swivel pins now enhanced for strength and functionality.

SUP Gear

SUP 'Pal' Bags

Give your SUP the care it deserves! Our Pals are lightly padded bags featuring our durable straps, easy to use zipper entry, reinforced rubber nose, velcro fin slits and a reflective underside to protect your ride from harmful UV rays. The Bro's use our same great patented kayak cover concept and are available in sizes to fit 10', 12' and 14' boards.

SUP 'Bro' Covers

Kayak & Canoe Covers

We've got you covered!

It amazed us when we saw how much the Southern California sun aged our kayaks and canoes so we created Danuu Covers! Now the wear and tear is to the cover - not your craft!

Danuu covers extend the life of your craft by protecting it from the elements and harmful UV rays!

- Lightweight fabric with high-tech meshing for ease of use and durability • Fully adjustable for Custom Fit
- Reinforced seams at all pressure points • Cross-stitching for more secure straps • No metal parts to rust
- Easy on and easy off design • Water repellent for added protection • Center Strap for high-wind safety
- Attached Red FlagBag adds safety in transport and doubles as convenient storage when not in use

With 7 Kayak & 3 Canoe Cover Sizes We've Got You Covered!

Brat	9-12'6" x 49"	Big Guy	20 - 22' x 41"
Punk	12-15' x 49"	Monster	22 - 26' x 41"

Kayak Seats

We got our start in Kayak and Canoe Covers and then noticed the need for a Danuu line of kayak seats! Like our covers, Danuu seats are affordable, sensible and what we would use. Check out our selection, we're positive we have a seat that will fit your needs.

The Pacific Angler Fishing Kayak Seats

Built for comfort and support, this fishing seat has a full complement of storage for your fishing needs. With all your gear within easy reach, a 20" rise back, and cushion seat the Pacific Angler is a must have for every serious kayak angler! Complete with brass clips attachment system.

The Three Quarter Back Versatile Kayak Seat

For kayaking or fishing, the Three Quarter Back features a rise of 16" for better back support, a big zippered bag for storage, versatile leash points and more! Compact and lightweight, this seat is ideal for every kind of paddling. Complete with brass clips attachment system.

Leg Straps

Our very stylish Kayak Leg Straps give you the safe and powerful feel you've been after. Strong nylon webbing and brass clips keep these comfortable padded leg straps in place and also make for easy removal when not needed.

The Outback Ergonomic Kayak Seats

The Outback is a versatile kayak seat that wins praise by everyone that uses it. With simple comfort & support, this seat is the perfect choice for every paddler that seeks perfection and uncompromising performance in a sensible 14" high seat. Complete with brass clips attachment system.

The Wingman Fishing Seat Accessory Pack

With two holsters to provide an easy reach for water bottles, sunscreen or tools, attachments for net, pole, or gaff, several tethers and a center dual zip storage store bag proves this Wingman has your back! The Wingman fits most metal framed, deck locking kayak seats with four quick release straps.
